

In a bid to maximise use of our turf facility, the Melville Turf Committee seeks assistance from an enthusiastic Club member who would be willing to explore options to provide alternative sports at the Melville Turf.

Sports could include but would not be limited to: Walking Hockey, Walking Soccer or sports for people with disabilities. What we need is options and opportunities. Interested? If so, contact:

Hans Geers, Turf Chairman, at hans.geers@education.wa.edu.au or on 0407080747 for more information.
