

CLUB BIDS FOR HIGHER HONOURS

APPLECROSS Hockey Club is making a bid for a higher status this season.

It has nominated an A3 team for 1962 in addition to its B2 team, C3 team and under-15 teams.

The decision to enter an A3 team is the outcome of the club's senior team's performance in winning the Challenge Cup and premiership pennant in 1960 and again, in a higher division, last year.

The senior team has lost only three matches in the past two years and is confident of success this season.

Meeting

The annual general meeting will be held in the RSL hall, Kintail-rd., Applecross, at 8 p.m. on Friday, March 2.

The club would like to hear from parents, ex-players, and supporters able to help in the coaching and managing of its junior teams.

Those interested can communicate with secretary A. J. Wilson, 72 Tweeddale-rd., Applecross.

HOCKEY JUNIORS ON TOP

A P PLECROSS Hockey Club's three junior teams remained unbeaten after Saturday's matches and maintained their positions at the top of their tables.

The Under-13 team which had a bye on Saturday will face Fremantle No. 2 at Gibson Park next Saturday.

And with 47 goals already to their credit it seems almost certain the team's 50th will be notched in this match—their fourth for the season.

The team look capable of taking off the third consecutive Challenge Cup and grand final double for Applecross who have won both these trophies in the two years since the inception of the Under-13 grade.

The Under-15 Division 2 team convincingly beat Tuart Hill on their home ground at Hector-st., Tuart Hill, and the 11-0 victory brought their season's tally to 28 for and two against.

Those responsible for the scoring shots were Peter Shugg (four goals), Chris Jones (five) and Ashley McGuire (two).

Next week's match between Victoria Park and Applecross will be played at Shirley Strickland Oval
